CHILDRENS PROGRAM CALENDAR (GRADES K-5)

May 2018

Hello Families,

As we are ending another school year, our summer program is gearing up. We have a lot of fun partner-ships and events planned. The guidelines for field trips will be passed out sometime in May. If there is anyone that would be interested in speaking about their career or hosting an activity during the summer, please reach out to me.

Currently, I am testing an online academic curriculum to help learning continue through the summer. I'm praying it will be the right fit for our member's needs to help eliminate the loss of academics throughout the summer and to fill some gaps that may be present. More to come.

Last, I would like to remind of the pickup times of 6:30 pm M-Th and 6:00 pm on Friday. Please arrive on time to get your child(ren).

Blessings & Thanks,
Kristine, Coach Q & Shak
